PROCEEDINGS: Court Trial on Administrative Record

On October 5, 2005, the Court conducted a trial on the administrative record in the above-referenced case. After careful consideration of the trial briefs, administrative record, and oral arguments of counsel, the Court finds in favor of Plaintiff. Specifically, the third denial of benefits, concededly based on Plaintiff's return to work, is based on a legally insufficient ground. However, the Court by this Order is not determining Plaintiff's ultimate entitlement to benefits.

Counsel for Plaintiff is ordered to submit proposed findings of fact and conclusions of law not later than **July 28, 2006**.

IT IS SO ORDERED.
